

The Central Appalachian Astronomy Club (CAAC) held its Christmas party and regular meeting on December 14, 2013, at the CAAC Observatory in Jane Lew, West Virginia, with 11 in attendance.

CAAC president, Joe Gonzalez, convened the meeting.

Minutes from the November meeting were distributed and accepted on a motion by John Taylor, seconded by Nancy Walker.

Treasurer Jeri Booher presented the financial report. Star Quest 10 has now been closed out. The treasurer's report was accepted on a motion by Janice King,, seconded by John Taylor.

Star Quest:

The dates for Star Quest 11 are June 25-28, 2014. The dates are the same as the Cherry Springs star party. Some of our regular vendors will be attending Cherry Springs. Those present agreed to keep our dates and find different vendors. Deven Matlick has offered to contact other vendors.

Roy Jaworski will be getting raffle information to John Dennis. He will also contact Pam Casto from NASA about getting Star Lab for Astronomy Day.

Joe will finalize ad for *The Reflector* March issue. Deadline is January 15th.

Old Business:

Astronomy Day – Mark Kochte, Michelle Shinn, and Caitlin Ahrens are confirmed as presenters.

Jim King contacted Fairmont State University regarding reserving the Caperton Center for the event. CAAC must pay \$150 for janitorial services.

Jeri will put together flyers for distribution to area schools. She will also purchase refreshments for the event.

Joe will make reservations at Minard's for our after-party.

Miscellaneous:

The motion to adjourn was made by John Taylor, seconded by Janice King.
